Does filing only apply to certain territory (territories) or certain classes?
If so, specify: class codes 92478 & 91551

Brief description of filing. (If filing follows rates of an advisory

organization, specify organization): We are adding codes 92478 Electrical Work - Within Buildings and 91551 Communication Equipment Installations to our current list of classes eligible for our currently approved Builders Package Modification Program that was filed with your department. This addition to our current list of eligible classes will allow us to more aggressively target these specific classifications in our Builders Program. Currently these classes fall under our Light Contractors Program necessitating the removal of SIC Code 1731 from the list of eligible business for this company specific package modification.

This filing includes a revised Company Exception page MP-E-BP-1 for Builders Program and MP-E-LC-1, a revised exception page for the Light Contractors Modification Factor.

We are requesting an effective date of January 1, 2009 to be applicable to all policies effective on and after this date.

- * Adjusted to reflect all prior rate changes.
- ** Change in Company's premium level which will result from application of new rates.
